

# Sponsorship & Exhibition packages for The 2019 Nordic Flame Days

Åbo Akademi University, Turku, 28-29<sup>th</sup> August 2019

## About the 2019 Nordic Flame Days:

The Nordic Flame Days is the Nordic meeting point for everybody involved in combustion or combustion related processes. The Nordic Flame Days 2019 will take place in Turku and is arranged jointly by the Finnish and Swedish National Committees of International Flame Research Foundation (IFRF) and the Scandinavian-Nordic Section of the Combustion Institute (CINS).

## Event Structure:

This two-day conference will include a combination of plenary sessions, parallel technical sessions, a possible poster session and an exhibition space that will run throughout the event. This will offer you the opportunity to showcase your products and services to the range of delegates attending. There will also be a possibility for two primary networking sessions: a reception at the opening of the conference and a Gala dinner on the evening of 28<sup>th</sup> of August. Interest in the event has been strong and we anticipate an audience of up to 100 delegates from across the world - including representatives from both industry and academia.

## Sponsorship & Exhibition offers:

### Exhibitor package: (Total of 1000 € only)

- One delegate pass, includes access to all event proceedings, in addition to the official dinner.
- One exhibition table and two posters (provided by the exhibitor) in the event common area.
